Refrain • Sweet is the remembrance of Jesus, bringing man his heart’s true joy; but sweet beyond honey and all created bliss is His presence.

2. No theme is more agreeable in the singing, none more welcome in the hearing, none more comforting in thought than Jesus, the Son of God.

3. Jesus, hope of penitent souls, how gracious You are to those that ask, how good to those that seek; but who shall say what You are to those that find?

4. No tongue can tell this, nor pen express it; but the one who has experience of it can know in his heart what it means to love Jesus.

5. Jesus, one day to be our reward, be our joy in this life. May our glory be in You through all eternity.
