

Dear Jeff:

1e. I'm cool with videos.

2e. I memorized the solfège and did okay against the soprano voice video. I like the equal voices, because I'm all about equality. :-)

3e. Your pronunciation ROCKS, dude!

4e. I get it. I'll practice. Chill out.

5e. I understand that we have to *practice* where to stand. Yes, I understand that our physical location matters to our singing.

6e. No worries: I've seen you before Mass, and you're a mess!
