# Feast of Christ the King

## A THOUGHT FOR SUNDAY

**A**nyone can be a servant, if the master is good. However when the master despises his servants, nobody can handle him.

To be the servant of Christ the King goes even beyond being the servant of a good master. Not only is He a good Master, not only does He rule with love, but He does not even consider us servants. *I do not now call you servants, I call you friends.* Jn 15

We kid ourselves thinking we are the one doing the service, when we serve Christ the King.

In reality we are the ones being served. Our Lord gives His everything for us, even to the point of laying down His life. We are the ones who Christ loves, in spite of us sinning against Him. We are the ones who have been promised a Kingdom that He has conquered for us.

So yes, we are friends. Not servants. Yet we should serve Him, because He loves us.

*God bless you.*  
*Fr Fryar*
