ST. RITA CHORAL ACADEMY

"Growing in the Catholic faith
through an immersive
sacred music education."

THE ACADEMY

The St. Rita Choral Academy is a unique venture that nurtures and trains young people in the European Cathedral tradition.

With an expert faculty, we educate choristers in the richness of the Roman Catholic Church while serving the liturgy by singing compositions from the great treasury of sacred music.

At the same time, students will develop the poise, confidence and maturity necessary to excel in high school, college, and beyond.
