

Third Sunday of Lent

A THOUGHT FOR SUNDAY

Saint Joseph got bumped again this year. We will celebrate his feast tomorrow. It seems to happen a lot - sometimes it gets bumped by Holy Week, sometimes by a Sunday.

I'm sure it doesn't bother him! St Joseph is a model of humility. We see him doing his assignment to protect Our Blessed Mother and Our Divine Lord, all the while remaining in the background: humble, diligent, full of charity and prudence.

Each strike of the hammer and each stroke of the plane was another act of love for Our Lord and Our Lady.

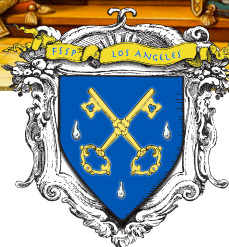

What a glorious honor to know that the work he did each day went directly to supporting them and providing for them!

And just as Our Blessed Mother did not stop her job at the foot of the Cross, but rather began the hardest part - taking care of us; so also St. Joseph did not stop his job upon leaving this world, rather he

continuously protects the church and aids souls at the moment of death.

Have a devotion to St. Joseph! Give him your needs and concerns. Our Lord and Our Blessed Mother trusted him, you can trust him too!

*God bless you,
Fr Fryar*
