## An English Translation:

HAIL, dear spouse of Mary mild,  
Tender guardian of her Child,  
Joseph, best of teachers, hail!

1. By thy prayers obtain salvation,  
And of sin full condonation  
For the soul by guilt oppressed.

3. By thy prayer when life is o'er  
May we reach the heavenly shore  
There to join angelic choirs.

2. May we all through thee be freed  
From the pain which is our meed  
For the evil we have done.

4. While we live defend us here:  
After death, grant us good cheer  
In our fatherland above.
